We receive an email from Education of Department due to the high number of Covid cases,

- 1. parents are strongly encouraged to keep their children at home if they are able to do so, in order to limit movement in the community.
- under the stay at home rules, it is a reasonable excuse to leave your home to drop off or pick up children from early childhood education and care services, regardless of where your childcare service is located.
- 3. Rules to be followed and key points are as follows:
 - All parents dropping off or picking up children should be asked to wear masks.
 - ✓ Families and visitors to the residence operating as a Family Day Care service are required to check-in using the Service NSW QR code.
 - ✓ Services will be required to opt-in and can waive gap fees for families whose children maintain their enrolment but are absent from the service. Fees won't be required to be waived for children who still attend.
 - ✓ Families will not have to use their 42 allowable absences during the lockdown.
 - ✓ Families experiencing difficulty can also apply for support under the Additional Child Care Subsidy (temporary financial hardship). Additional Child Care Subsidy Applying during temporary financial hardship Services Australia
